## Shout Out to Watershed Heroes! **Bonnie Nadeau**

---

Bonnie is a Forest Health Technician with Ontario Natural Resources and Forestry. She spends countless hours in our forests and to get there she is on the road and saving every turtle that crosses her path! Throughout the summer she young snapping turtles in the Parry Sound District. Her job as a Forest Health Technician also plays a big roll in the health of our watersheds. As you know healthy forests are critical to providing clean water to our lakes and waterways! Keep up the amazing work Bonnie!

As part of our 50<sup>th</sup> anniversary we're proud to recognize Bonnie Nadeau commitment and dedication to our watershed by acknowledging her as a Watershed Hero.
