

Shout Out to Watershed Heroes!

Jeevan Aggarwal

Jeevan Aggarwal – Owner, Franklin Motel, North Bay

Jeevan, the owner of Franklin Motel agrees every spring to allow NBMCA to utilize his property for the removal of ice from Parks Creek to reduce the risk of flooding to neighbouring properties. This process involves placing the ice on his property piled approximately 10' high. This creates some mess on his lawn which is taken care of by the contractor but does cause an unsightly mess for some time until the ice completely melts, and cleanup can begin. Franklin Motel receives no compensation for this. They do it for the good of their community. This to me is a watershed hero.

As part of our 50th anniversary we're proud to recognize you Jeevan as a Watershed Hero!
